## Description Information:

The State of Georgia is issuing an Electronic Request for Proposal (eRFP) for Temporary IT Staffing. This solicitation is part of the Procurement Transformation Initiative launched by the Governor's Commission for a New Georgia. This solicitation is not for Vendor Managed Solutions related to staffing.

The State intends to establish a mandatory Statewide contract with qualified Offerors who will provide Temporary IT Staffing to the State's Departments, Agencies, Authorities, Boards, Commissions, Offices, Colleges and Universities, Cities, Townships, Counties and other political subdivisions.

Awarded Offerors will receive orders from State entities and will have their offerings posted on the Department of Administrative Services Statewide Contracts listing. State entities' use of the contract is mandatory unless the State grants an exception. The contract is available to other political subdivisions, including Cities, Townships, and Counties on a discretionary basis.

Based on the prior year, the State estimates it spends in excess of \$40 million annually for Temporary IT Staffing. Other authorized political subdivisions may spend additional amounts.

If interested send an email to [TempITStaffing@doas.ga.gov](mailto:TempITStaffing@doas.ga.gov) and reference the following:

- Bid Number
- Company Name
- Contact name, title, phone number, email address
